

Portland, OR - Seeking Optometrist
April 22,2024

Alberta Eye Care is a family-owned optometry practice that started in 2013 in Portland, Oregon. We are looking to hire an associate doctor 3-5 days a week including 3 Saturdays per month.

Optometrist Job Duties & Responsibilities

We are searching for an enthusiastic OD to join our growing practice! You'll use your skills to provide high-quality vision care to our patients. The ideal candidate is committed to delivering quality patient care, and is eager to continue to develop their clinical skillset. Your regular duties will include:

- Perform comprehensive eye exams
- Diagnose and management of ocular disease (with OCT/Optos/Lipiflow)
- Prescribe corrective lenses
- Provide pre- and post-operative care to surgical patients
- Promote healthy vision by counseling and educating patients
- Maintain patient records using Revolution EHR

Optometrist Job Requirements & Qualifications

- Doctor of Optometry (O.D.) degree
- Valid state license to practice optometry
- A strong sense of workplace professionalism and personal ethics
- Customer-service orientation with excellent interpersonal skills

Please send CV to laura@albertaeyecare.com if you are interested in learning more about this position.
