

Apple Eyecare
April 19, 2024

Full-time associate position available with competitive compensation package on a 4 1/2 day workweek and potential future partnership opportunity.

Join the vibrant and thriving practice at Apple Eyecare. Well-known in the community for quality patient care and a passion for excellence, we provide the highest level of optometric and optical expertise to a diverse patient base that draws from many outlying areas. We have experienced stable and consistent success for the last 30 years and are excited to bring on another Optometrist to accommodate increasing patient demand.

When joining our practice, you will have the opportunity to practice to the full extent of your scope and comfort level. We invest regularly in new technology and currently have an Optovue OCT, Eidon true color fundus camera, and several other instruments. We enjoy a good relationship with many co-management partners in the region as well as community partners. You are welcome and encouraged to pursue any areas of specialty interests, and will have the support of the practice in doing so.

Please feel free to send your CV or contact us via e-mail for further details at spluke1@gmail.com or danlboon@gmail.com

About the community:

Located in Northeast Oregon, La Grande boasts all the benefits of small town living with many of the conveniences of larger cities: hospital, college, parks, private schools, etc. It's the perfect place for raising a family or simply enjoying life at a slower pace. La Grande also offers a centrally located spot in the heart of outdoor recreation. Whether your hobbies include biking, boating, hiking, rafting, hunting, skiing, or snowmobiling, we have year-round options within a short drive. A slightly longer drive will get you to bigger metropolitan areas for the occasional getaway as well. We love this community which we call home and feel honored to serve it.
