Selecting the Right Lens is Quick and Easy

Start with the ACUVUE®
Astigmatism Fitting Calculator
and you'll be two clicks away from
the right trial contact lens.

Multifocal fitting is made simpler
with the ACUVUE® MULTIFOCAL
Fitting Calculator.

Keep these calculators handy on your device!

Avoid Common Missteps**

Find the right trial lens powers for presbyopia and astigmatic patients.

[Learn More](#)

Save fitting calculators to your desktop or mobile device home screen.

**The Calculators are provided to clinicians for educational and convenience purposes only, in conjunction with the labeling for 1-DAY ACUVUE® MOIST and ACUVUE® OASYS MULTIFOCALS. Johnson & Johnson Vision Care, Inc. does not engage in the practice of prescribing and these Calculators are not a substitute for appropriate professional education and training or for the exercise of independent professional judgment. Johnson & Johnson Vision Care, Inc. cannot warrant the accuracy or completeness of information that these Calculators provide. Each clinical situation should be considered unique to each patient, and all treatments individualized accordingly. Johnson & Johnson Vision Care, Inc. does not endorse or recommend any particular technique beyond what is contained in the product labeling, and other techniques may be appropriate in a clinician's judgment.

Important Information: ACUVUE® Brand Contact Lenses are indicated for vision correction. As with any contact lens, eye problems, including corneal ulcers, can develop. Some wearers may experience mild irritation, itching or discomfort. Lenses should not be prescribed if patients have any eye infection, or experience eye discomfort, excessive tearing, vision changes, redness or other eye problems. Consult the package insert for complete information. Complete information is also available from Johnson & Johnson Vision Care, Inc. by calling 1-800-843-2020, or by visiting www.jnjvisionpro.com.
