

Optometrist

We are seeking a full-time Optometrist to join our team. The ideal candidate will have completed a full-time residency program. In addition to providing care and establishing your own patient base, including pediatrics, you will also work alongside EyeHealth surgeons to provide co-management services for cataract and LASIK patients. This busy practice has a long-established patient base that will provide a quick practice ramp-up.

EyeHealth NW is one of the largest independent eye care groups in the NW. The EyeHealth NW Team includes:

- 38 Ophthalmologist
- 20 Optometrists
- Certified Ophthalmic Technicians and Assistants
- Certified Contact Lens Technicians
- Certified Opticians and Frame Stylists
- Knowledgeable and dedicated support staff

We offer an excellent compensation package that includes a competitive base salary, incentive bonus plan, medical & dental insurance, company-paid Life and Disability Insurance, voluntary supplemental insurance, generous Paid Time Off (PTO), paid holidays, discounts on products and services, employer-matching 401(k), profit-sharing and more!
