

82nd EyeCare

Job Title: Full-Time Associate Optometrist

Location: Clackamas Town Center Mall - 12000 SE 82nd Ave, Ste 2012 Happy Valley, OR 97086

About Us:

82nd EyeCare is a thriving eye care center located in the heart of Clackamas Town Center Mall, adjacent to Lenscrafters. As a dedicated team of professionals, we are committed to providing exceptional eye care services in a warm and welcoming environment. Our practice is founded on the principles of quality, compassion, and empowerment, with a focus on serving the diverse eye care needs of our community. We have owned the lease for almost 10 years and have a very well-established patient base. Our office is equipped with a standard AR, NCT, and Optos California machine that is done on nearly all patients. Office staff handles all checking in, pre-testing, CL training, checking out, and billing. There are two exam lanes to help maintain an organized and efficient flow. We use Crystal EHR, which is very user friendly so easy to learn.

Position Overview:

We are seeking a skilled and passionate Associate Optometrist for 4 to 5 days a week, one of them being Sat OR Sun (*not both unless desired*) to join our dynamic team. The successful candidate will be responsible for delivering high-quality eye care services to our patients while contributing to the growth and success of our practice.

New graduates will be considered!

Time off requests (especially weekends) are ALWAYS flexible!

Exams are scheduled every 30 minutes with the possibility of scattered CL and RX checks in between.

Walk-ins taken based on availability.

Hours are 10a - 6p.

Responsibilities:

- Conduct comprehensive eye examinations using advanced diagnostic equipment.
- Diagnose and treat a variety of visual conditions and ocular diseases.
- Provide personalized recommendations for eyeglasses, contact lenses, and other vision correction options.
- Collaborate with the team to ensure excellent patient care and satisfaction.
- Stay updated on industry trends, advancements, and best practices.
- Participate in community outreach and education initiatives to promote eye health.

Qualifications:

- Doctor of Optometry degree from an accredited school of optometry.
- State licensure to practice optometry.
- Strong clinical and diagnostic skills.
- Excellent communication and interpersonal skills.
- Ability to work collaboratively in a team-oriented environment.
- Commitment to providing outstanding patient care.

Benefits:

- Competitive salary - \$500+ per day depending on daily production bonus.
- Accrued PTO
- Medical insurance
- OD Licensing/Malpractice
- Flexibility/coverage for time off

Why Join Us:

At 82nd EyeCare, we are not just a team; we are a family committed to empowering each other and our patients.
