

Do you enjoy an active, outdoor lifestyle? Then come join our team and practice in paradise. Central Oregon enjoys four seasons and over 300 sunny days each year in one of the most scenic destinations in the US. It is an outdoor mecca with plenty to do in every season including two ski resorts, mountain biking, hiking, rock climbing, cycling, camping, hunting, fishing or just walking your dog by the river. Central Oregon is one of the fastest growing regions in the nation. Come discover it for yourself.

Central Oregon Eyecare located in Redmond ,Oregon (near Bend) is looking for an exceptional Full Time Optometrist to join our team as part of our state-of-the-art clinic and fashion optical boutique. If you are motivated, as we are, by the belief that life is better when you see your best, then we are interested in talking with you about joining us in providing extraordinary eyecare to our growing patient base.

We are continually upgrading our treatment protocols and our equipment to ensure that we are consistently offering cutting edge options for our patients. We currently offer treatment services in the areas of primary care, glaucoma, pediatrics, specialty contact lenses, myopia management, early intervention for AMD and dry eye care. To support these services our clinic is equipped with autorefraction/keratometry, topography, meibomography, Tear Lab analyzer, NeuroLens, retinal photography, Eidon Ultrawide Field Imaging, OCT, automated visual fields, automated refracting systems, peripheral hyperperimetry, dark adaptometry (AdaptDx). Email your CV to kweiss@keplrvision.com . 2024 grads welcome!
